PORTWEST · EYE AND FACE PROTECTION · SPECTACLES

Portwest PS09 Impervious Tech Safety Glasses

Product code: PS09CLR · Series: Eye Protection

The Impervious spectacles feature an innovative oleophobic and dirt repellent coating, helping to keep the lens clean in very extreme working conditions. Tough and modern design with dual material on the side arms. The wide elastic band ensures an improved fit, while the removable EVA foam gasket allows extra comfort while offering additional protection against shocks and dust.

01 Oleophobic and dirt repellent lens treatment helping to keep the lens clean and vision intact

02 Dual use with classic arms or with wide elastic band

03 Detachable foam offers additional protection against shocks and dust

04 Flexible arms for ultra comfort

05 Side vents for added comfort

06 UV protection helps to prevent eye damage from harmful ultraviolet rays
