PORTWEST · EYE AND FACE PROTECTION · VISOR

Portwest PS98 Arc Visor Class 1 Browguard

Product code: PS98CLR · Series: Eye Protection

Arc protection visor with browguard made of high performance polycarbonate with KN (certified anti-scratch and anti-fog) treatment for excellent clarity and vision. Its lightweight design, padded and size-adjustable headband support a comfortable fit. The clear lens has UV filtering properties (UL1.2). The face protector is for arc protection class 1 (APC1).

01 Browguard with clear polycarbonate visor

02 Excellent clarity, visibility and colour recognition

03 Stand-off position for intermittent use

04 Size adjustable headband via wheel ratchet system

05 Certified protection against molten metal splash

06 Anti-scratch high level treatment coating, certified and marked with K on the lens
