PORTWEST · HAND PROTECTION · MECHANICAL

Portwest A353 Grip 15 Nitrile Sandy 3/4 Palm Dotted Glove

Product code: A353G8RL · Series: Hand Protection

The A353 has a dotted palm which enhances the grip and adds achieves the same palm protection as the A352. With additional protection against water, oil and grease due to the additional 3/4 dip compared to the A350. The breathable seamless liner is ideal for precision handling in dry environments.

01 Flexible sandy nitrile coating offers great grip in wet and dry conditions

02 3/4 dipped for increased protection

03 Nitrile dotted palm for enhanced grip

04 Nitrile is a synthetic rubber that is highly resistant to oils also suitable in wet and dry conditions

05 Nylon's high tensile strength with additional stretch for an improve fit

06 15 gauge liner provides the best balance of dexterity and durability
