Portwest PW73 HV Extreme Ear Defenders Medium

Productcode: PW73GYR · Serie: Hearing Protection

Gehoorbescherming van Portwest, model PW73. Normen: EN 352-1. These ear defenders form part of our new premium colour coded ear defender family HV Extreme. With a PU padded headband, they offer unparalleled comfort even during extended use. The dual pin adjustable cups ensure a secure fit for all head sizes, while the superior attenuation performance provides maximum protection against harmful noise levels in medium attenuation environments. The reflective padded headband enhances the user's visibility making it the perfect choice for those working in low-light conditions. ,

01 Colour coded cups for easy identification

02 Padded headband for comfort

03 Reflective trim for increased visibility and safety

04 Adjustable dual pin system provides multiple positioning for better fit

05 Contrast colouring for added style

06 Excellent attenuation rate
