Portwest A651 CS Cut E15 PU Glove

Productcode: A651G8RL · Serie: Hand Protection

Werkhandschoen van Portwest, model A651. Normen: EN 388, EN 407, EN ISO 21420. Part of the CS Collection, this glove provides high-performance protection with a Cut Level E rating and a 15-gauge liner for excellent dexterity and comfort. The PU coating offers superior grip and abrasion resistance, while the reinforced thumb crotch enhances durability in key wear areas. It is also touchscreen compatible, allowing for convenient use of digital devices without removing the glove.

01 Level E cut resistance

02 Smooth PU coating for increased abrasion resistance

03 Reinforced thumb crotch for extra protection and durability

04 Protection against contact heat up to 100°C

05 Certified to EN388 with 3 washes

06 15 gauge liner provides the best balance of dexterity and durability
