PORTWEST · HANDBESCHERMING · KOUDE

Portwest A753 Cold 450 PU Waterproof Mechanical Glove

Productcode: A753K8RL · Serie: Hand Protection

Werkhandschoen van Portwest, model A753. Normen: EN 388, EN 407, EN 511, EN ISO 21420. Engineered for cold environments, this glove features an internal membrane that creates a waterproof barrier to keep hands dry, while providing insulation and thermal protection for warmth in low temperatures. The textured and reinforced padded palms enhance grip and comfort during extended use, and a reflective label improves visibility in low-light conditions. Machine washable for easy care.

01 Machine washable

02 Internal membrane provides a waterproof barrier to keep hands dry

03 Provides insulation and thermal protection

04 Textured palm

05 Reinforced padded palms

06 Reflective label for improved visibility
