Portwest DX423 DX4 Floor Layers Trousers

Productcode: DX423BKR28 · Serie: Workwear

Werkkleding van Portwest, model DX423. Normen: EN 14404. The DX4 Floor Layers Trouser is ergonomically designed and uses the combination of targeted placement of dynamic 4X stretch fabrics and the back support to give maximum range of movement when working. This trouser features extremely heavy duty knee pad pockets, hook and loop back leg tabs to ensure that knee pads stay in the correct position whilst working, and high back waistband with side elastication. The front pockets are placed so they are easily accessible when working on a lower level. Reinforced fabric at the top of the thighs provides added durability. Triple stitching throughout for maximum durability, and an extendable hem for a personalised fit.

01 4-way stretch fabric for ease of movement and added comfort

02 Extra protection in high abrasion areas

03 Ripstop fabric to ensure durability and resistance to tearing and ripping

04 Elasticated section at top of kneepad for ease of movement

05 Crotch gusset to reduce stress and prevent seam failure

06 Hook and loop tabs to cinch in leg
