Portwest FB31 3000 Over-Trousers

Productcode: FB31NARL · Serie: Flame Resistant Multi-Norm

Werkkleding van Portwest, model FB31. Normen: EN 469. Designed to protect the lower body, the Solar FB31 Over-trousers is constructed using a Nomex® / Lenzing® FR Viscose fabric. The design offers high freedom of movement. Features include a low-cut crotch seam, non detachable shoulder braces, side elastic and bellow front fly.

01 Protection against radiant, convective and contact heat

02 Waterproof and breathable with taped seams to prevent water penetration

03 Concealed hook and loop fastening for easy closure

04 Adjustable shoulder strap for added comfort

05 Ergonomic quick release buckle

06 Anti-wicking strip at hem
