Portwest S251 Sealtex Ocean Trousers

Productcode: S251NARL · Serie: All Weather Protection

Werkkleding van Portwest, model S251. Normen: EN 343. This classic style trouser uses high performing Sealtex Ocean fabric and provides the wearer with complete foul weather protection. The garment has a fully elasticated waist so it can be fitted easily over trousers, stud adjustable hems and high frequency welded seams.

01 Waterproof with welded seams to prevent water penetration

02 Durable and stretchy with wipe clean finish

03 Extremely water resistant eco-conscious fabric finish, water beads away from fabric surface

04 Fully elasticated waistband for ultimate wearer comfort

05 Stud adjustable hems for a secure fit

06 Retail bag which aids presentation for retail sales
